

# Summer learning on IXL!

## STAY SHARP WITH FREE SUMMER PRACTICE

We've used IXL to reinforce our curriculum this year, and your child will continue to have free access to the online program over the summer. With thousands of interactive practice problems for math, language arts, science, and social studies, IXL is a fun way for your child to maintain the skills he or she has worked hard to learn!

### Did you know?

Studies have found that students lose one to two months of math and reading skills over the summer. You can play an important role in preventing this “summer slide” by encouraging your child to continue learning!

Have your child sign in throughout the summer at [www.ixl.com](http://www.ixl.com)!

USERNAME:

PASSWORD:

*If your child needs help signing in, please contact his or her teacher.*

## Summer goals

Here are our class goals for the summer. Challenge your child to hit these targets!

- Practice IXL for 1 hour each week
- 
- 
- 
- 
- 
- 

Want more ideas for motivating your child to practice this summer? Visit: [www.ixl.com/community/resources/summer](http://www.ixl.com/community/resources/summer)

## What is IXL?

IXL is an online personalized learning experience for your child. As your child practices, IXL adjusts in difficulty so that your child can master skills at his or her own pace. Because your child has unlimited access to all grade levels, it's easy to select material that will help him or her fill gaps in learning, review what he or she has learned in class, or even advance in topic areas of interest.

Have your child sign in for access to:

-  **THOUSANDS OF UNIQUE SKILLS**  
to make practice engaging!
-  **ADAPTIVE SKILLS**  
to support and challenge every learner.
-  **FUN AWARDS**  
to keep your child motivated!
-  **DETAILED PARENT REPORTS**  
to stay in the know!

## IXL mobile apps

Going on a road trip this summer? Take IXL along—with our iPad, Android, and Kindle Fire apps, your child can practice on the go!

Is the noun a person, animal, place, or thing?

cat

person animal place

What is the capital of Tennessee?

Look at the photographs below.

common octopus

sea turtle

Which of these traits does each animal have? Select all that apply.

	common octopus	sea turtle
It has tentacles.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
It has flippers.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
It has a hard shell.	<input type="checkbox"/>	<input checked="" type="checkbox"/>
It lives underwater.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Which shape shows the fraction  $\frac{1}{4}$ ?
